---

Dear Casey Subscriber,

The 72-hour sale for ***Casey Extraordinary Technology*** – which includes all the [details about the “Curing Cancer” portfolio](#) – ends at midnight.

Here are three big reasons why you should consider a subscription to **CET** now:

- Great returns – in 2010, CET outgained the Nasdaq by more than 350% and the S&P 500 by 269%.
- Ahead-of-the-crowd investment recommendations – in addition to the monthly tech sector advisory, you get timely email alerts to notify you of late-breaking profit opportunities that just can't wait.
- Big savings – \$498 (50%) off the regular retail price.

This offer ends at midnight, no exceptions.

Start profiting today from the "Curing Cancer" portfolio and the many other innovative companies you'll find each month in *Casey Extraordinary Technology*.

**Start profiting from  
the "Curing Cancer" portfolio today!**

A handwritten signature in black ink that reads "Alex Daley".

Alex Daley

Chief Technology Strategist, Casey Research  
Senior Editor, *Casey Extraordinary Technology*
